GIVE A PAIR

Hello, **Clear Lake Band** Family, Friends, and Staff!

The band has an exciting fundraiser going on and is seeking your support!

Not only does your purchase help us raise the funds for our trailer rig, but for every pack of socks (3 pairs/pack) sold, 1 pair of socks will be donated to our local charities to help those in need. Last year, we were able to donate almost 360 pairs.

Our goal is to donate at least 1,000 pairs of socks this year. (Do you know a charity that could benefit from our donation socks? Please help connect us!)

Thank you for your support! **Fundraiser ends November 23rd.**
